## Q. IMPORTANT INFORMATION:

### Role of Founder

To assist in the orderly administration of a Self Managed Superannuation Fund, documentation prepared by MJHC Legal operate with an individual or company performing the role of Founder.

### Powers

The role of Founder is a significant one and includes the following important powers:-

1. The Founder has the power to remove and appoint new or additional Trustees.
2. Gives consent to any amendments or variations of the Trust Deed and Rules governing the Fund.
3. Can pass on the role of Founder to others by Deed or by the Founder's Will.
4. Can require the Fund to be wound up.

### Who is the Founder

Usually, the Founder will be one of the Members of the Fund. There may be more than one Founder with the powers of the Founder being exercised jointly. A Founder need not necessarily be a Member of the Fund. A Founder may be an employer company or a company associated with the Members.

### The Founder and the Appointment and Removal of Trustees

One of the key roles of the Founder is to ensure that in conjunction with the Trustees, your Self Managed Superannuation Fund complies with the legal requirements of the laws governing Self Managed Superannuation Funds and the appointment and removal of Trustees. For this reason, the Founder is empowered to remove and replace Trustees. This will ensure that at all times Members of the Fund are also Trustees or Directors of a Corporate Trustee as required by the laws governing Superannuation Funds. Details of the power of the Founder concerning the retirement, removal and appointment of Trustees are set out in the upgraded Rules governing the Superannuation Fund.

### Death or Retirement of the Founder

The upgraded Rules of your Superannuation Fund also govern the resignation or, if an individual, the death of the Founder. A Founder can appoint a substitute Founder by a Deed of Appointment or under the terms of a Will. Often the substitute Founder, if an individual, will be the Executor named in the Founder's Will. Care should be taken in identifying and nominating a substitute Founder due to the rights and responsibility of the role.

If there is no nominated Founder and no replacement appointed, the Legal Personal Representative of the last named Founder will assume the role of Substitute Founder. If there is at any time no Founder, the Trustees may with the consent of Members of the Fund appoint in writing a replacement Founder. If there are no Members, the Trustees will assume the role of Founder.

### Effective Dates

The Fund must resolve to amend the current documents. The date the parties meet will also be the date of the deed upgrade. However, the date on which the amendment takes effect can be a past or future date. For example, if there has been member contribution splitting, you should ensure that the effective date of the amendment is a date prior to the contribution split occurring.

### Meeting & Resolutions

It is not always a legal requirement that individuals physically attend a meeting of trustees or directors of a corporate trustee. Most modern trust deeds and company constitutions permit teleconferencing. Attendance by telephone can be a convenient method of meeting where parties are physically separated. You must indicate whether or not a party was or will be physically present at a meeting.

A circulating resolution is an alternative to attendance at a meeting in person or by telephone. A circulating resolution requires all parties to sign and date the resolution. It is also necessary for the parties to be provided with all relevant material relating to the resolution. This may not always be convenient or a secure means of safeguarding the material.

Importantly, a circulating resolution does not have any legal effect until the resolution is signed and dated by all required parties. It will also only be effective from the date on which the last signature is obtained to the circulating resolution. For these reasons, physical or telephone attendance at a meeting is preferred over a circulating resolution.

**Other Issues**

- Unless otherwise stated, your Self Managed Superannuation Fund is governed by the laws applicable to the laws of the State or Territory of the address disclosed in the documents for the Founder.
- Duty may be payable on the deed amendment in the State or Territory whose laws are to apply to the Fund.
- Further information about the Role of Founder is included in the documentation prepared as part of the Fund upgrade.
